Each session will also have the same core activities to provide structure and predictability to include for example:-

Colouring from a range of topics
e.g. Nature, anime, Marvel characters.

Drawing - practising familiar pictures and perhaps trying some different subjects too.

We will offer alternative arts and crafts activity choices in addition.

Beginners and talented artists are all welcome.

Our Arts and Crafts Club meets every two weeks on Saturday afternoon at The Harmony Education Centre, 4 Cordwallis Street, Maidenhead SL6 7BE

Places are limited and allocated on a first come basis after we have completed an application process.

We will have a variety of experienced staff and support workers at the clubs to help all beginners and talented artists enjoy themselves. All our support workers are DBS checked.
